NATIONAL AWARDS FOR EXCELLENCE IN FUNDRAISING

About the Award

The FIA Awards for Excellence in Fundraising are a key component of Fundraising Institute Australia's commitment to champion best practice in fundraising.

The Awards recognise the outstanding initiatives and innovative efforts of fundraisers, volunteers and organisations. They celebrate the hard work and successes across the year, provide an opportunity for acknowledgement by your peers, and promote the role of fundraising in improving our society.

Volunteer of the Year

This award acknowledges the significant and highly valued contribution to the fundraising profession made by volunteers. This award honours a volunteer who has assisted through their efforts and dedication of time to an organisation and fundraising cause.

A winner will be selected from each state and will be announced as the Volunteer of the Year for that state. The winner from each state will go through to the national judging level to determine the FIA National Volunteer of the Year.
