

Donor Development Coordinator >

About us:

The Royal Flying Doctor Service of Australia (RFDS) is one of the largest and most comprehensive aeromedical organisations in the world. Using the latest in aviation, medical and communications technology, RFDS QLD delivers extensive primary healthcare and 24-hour emergency service, from nine strategic bases, to those who live, work and travel throughout Queensland.

The Role:

- > Permanent full-time role
- > Corporate Office - Level 4, 5-7 Lobelia Circle, Brisbane Airport

We are seeking a **Donor Development Coordinator** to become a vital contributor to the Marketing and Fundraising team and seamlessly help the RFDS with its fundraising goals. In this diverse role, working within a close-knit team, you'll help us make a real difference to people's lives and to the future of the Flying Doctor.

Reporting to the Donor Development Manager, you will be responsible for the coordination and implementation of appeals & acquisition campaigns, development and execution of retention activities and Mid-Value donor relationship development.

Why join us?

In return for your skills, energy and commitment to our goals, we offer you the opportunity to **make a real impact in Queensland communities and truly help others**. You'll work every day with people who are passionate about our purpose and proud of their contribution to our iconic organisation.

As a member of the amazing team driving *RFDS* from behind the scenes, you'll come to work knowing that your efforts are enabling our work in helping people in Queensland communities. Critically, you're also helping ensure our organisation is efficient, effective and sustainable now and in the future.

Your contribution will be rewarded with an **attractive remuneration package plus salary packaging arrangements**. In addition, you'll have the **unique opportunity to speak to people who have been directly impacted by our life-saving service** and see how your work positively impacts communities.

Who are we looking for?

To be successful in this role, you will be an outcome driven fundraiser who strives to deliver exceptional donor care and fundraising results while working collaboratively with internal and external stakeholders in line with organisational objectives.
