

## Funding Development Manager - grants, trusts and foundations

- Be a champion for mums with cancer
- High impact role with focus on driving revenue for growth and impact
- Autonomous role working alongside a small, passionate & collaborative team

### Who we are

Mummy's Wish is the only Australian charity dedicated to providing practical support to mums who are diagnosed with cancer while their children are young (under 12).

Our team of dedicated support coordinators work with each family to find practical ways to ease the burden and stress of cancer treatment so that mum can concentrate on being 'mum'.

We are based in Banyo (Brisbane) but our reach is national and we have ambitious plans for growth in the next 5 years.

### About the role

Mummy's Wish is looking for a Funding Development Manager to join our small, dedicated team to establish and grow a portfolio of strong partnerships in the philanthropic and government sectors to drive revenue and sustainable growth.

You will champion growth for Mummy's Wish - identifying funding opportunities that align with our strategic direction, inspiring potential funders and working with our program delivery team to demonstrate impact.

While this role has no direct reports, it is responsible for leading and inspiring best-practice relationship building and management, fundraising discipline and collaborative team work.

We are looking for someone who is up for the challenge of building a program from the ground up, is driven by success and results, and who will be a great team fit - collaborative, engaging and is able to effectively manage competing priorities. We are looking forward to finding someone who can fit straight in and help us towards our goals.
