

Foundation Director

Gold Coast

About Us

LifeFlight is a world leader in aeromedical care and Australia's most diversified service with both a fixed and rotary wing fleet. We help seriously ill and injured patients around Australia and the world to quickly get the medical care they need. From rapid response, to inter-facility transfers our team of more than 400 staff members, including aviation crew, support staff, and over 100 doctors are a lifeline to vulnerable individuals. Best known for RACQ LifeFlight community rescue helicopters and LifeFlight Retrieval Medicine, the group also operates a world class training division.

A job with Purpose

Every year LifeFlight's iconic blue and yellow fleet help thousands of sick and injured patients. Every employee has a very important task in every mission we perform. Whether that's flying an aircraft, balancing the figures, to instructing staff with the most current medical and aviation regulations. Each and every employee at LifeFlight helps save lives every day. You will be part of ensuring our ongoing success by leading and managing our Fundraising operation; the LifeFlight Foundation.

The Opportunity

The Foundation Director leads and manages the LifeFlight Foundation and is responsible for developing and implementing the Foundation's strategic plan and program. The role administers the Foundation's budget and contributes to the operation and management of LifeFlight Australia as a member of the executive leadership group. The position reports directly to the Group CEO.

This is a great opportunity for someone with considerable experience to progress the Fundraising success of the LifeFlight Foundation for an important Queensland community service.

This is a permanent, full-time role, predominately located in our Robina office, with occasional travel to the Corporate Office in Brisbane required. Travel to other sites within the Queensland region for events may also be required.

Please review the Position Description for full role details.
