Founded in 1881 by the Marist Brothers, St Joseph’s College is a boarding and day secondary boys school, whose Catholic identity is shaped by Marist spirituality and traditions. Governed by Marist Schools Australia, the College enrolment is approximately 1,100 students.

**Philanthropy Manager**

*Full-time, ongoing. Immediate start or by mutual agreement*

St Joseph’s College has a proud tradition of genuine, deep and far-reaching relationships with its broad community. This involves old boys, past and current parents and supports of the College.

In this light, the College seeks to appoint an experienced professional to take responsibility of the role of a Philanthropy Manager. The successful candidate will be responsible for fundraising, sponsorship, and general philanthropic support. Annual key performance indicators will be set on donor relations, philanthropic income, annual giving participation rates, donor retention and donor satisfaction.

The successful applicant will report to Head of Philanthropy & Community Relations. They will possess a high degree of proficiency and experience the core areas of behavioural, leadership and technical competencies expected in this role.

A collegial & collaborative approach as a member of a successful team is essential. An appreciation for the diversity of the College community and support for the Marist ethos are paramount to the role.

Further information about the position, including a comprehensive role description and guidelines on how to apply is available on the College website: [www.joeys.org](http://www.joeys.org)

Applications should reach the College by **Friday 2 September 2021.**

*Child Protection screening procedures apply.*
