

# Philanthropy Coordinator (Major Gifts)

- Part time position – 3 days per week – 1 year contract
- Flexible working conditions
- Christian International Aid organisation

## Why Baptist World Aid/Transform Aid International?

If you have a desire to be part of a passionate, committed, people-oriented team who is committed to ending poverty... then you're in the right place!

Baptist World Aid/Transform Aid International is an international Christian development organisation working in 24 countries. We partner with like-minded organisations overseas to implement community development and disaster projects that empower communities to lift themselves out of poverty. Last year, our work impacted over 900,000 people.

When you join us you'll become part of a rich, 63-year history. As a valued Philanthropy Coordinator, you'll be integral to achieving our mission of helping Australians tackle the injustice of global poverty. The Philanthropy Team is a high achieving team, committed to partnering with our constituents and ensuring the gifts of our faithful Australian supporters are mobilized towards our overseas-led projects.

We're looking for someone with the know-how, passion, and commitment to work towards ending poverty... is it you?

## Who are we looking for? - Philanthropy Coordinator

**Location:** Head office is in North Ryde, NSW. Flexible working conditions available.

**Position:** Permanent part-time (3 days/21 hours per week) – 12 month contract – commencing in 30 January 2023

If you want to work in a supportive team environment alongside passionate and talented individuals who have a genuine passion for the work that we do, then this could be the right role for you! You will support the Philanthropy Manager and the broader Partnerships team in strategy, planning and execution of fundraising events and activities.

This role is particularly focused around all administrative and co-ordination aspects to do with the philanthropy strategy. Ideally you have had some exposure to marketing administration and are comfortable with CRM databases and able to use these to analyse data to create tailored events,
