NATIONAL AWARDS FOR EXCELLENCE IN FUNDRAISING

About the Awards

The FIA Awards for Excellence in Fundraising are a key component of Fundraising Institute Australia's commitment to champion best practice in fundraising.

The Awards recognise the outstanding initiatives and innovative efforts of fundraisers, volunteers and organisations. They celebrate the hard work and successes across the year, provide an opportunity for acknowledgement by your peers, and promote the role of fundraising in improving our society.

Best Pivot Campaign or Initiative

For fundraising campaigns and initiatives that adapted and excelled in response to a critical fundraising challenge

This award recognises fundraising campaigns or initiatives that have been pivoted in response to a critical fundraising challenge. The 'pivot' can be the change or adaptation of an existing campaign or initiative due to an internal / external challenge that poses significant risk to future income growth and sustainability within the fundraising program. e.g. responding to a high rate of attrition within a Regular Giving program, dwindling attendance at events by going digital, drop in corporate sponsorship by changing the case for support and donor segmentation of a direct mail campaign.

Note: this category is **not** about fundraising for a crisis or emergency appeal (e.g. bushfire appeal) instead focusing on how fundraisers respond to a critical fundraising challenge.

Applicable Types of Fundraising

Including, but not limited to:

- Major Gifts – Including Capital Campaigns and major gift programs
- Community Fundraising – Including Peer to Peer, supporter events, signature events
- Digital Campaigns
- Individual Giving – Including Gifts in Wills, cash and regular giving
- Merchandise campaigns
- Grants, Trusts and Foundations
- Corporate partnerships
