

Associate Director of Development

Over the last 68 years, Singapore American School (SAS) has grown into one of the world's leading international schools.

SAS is known for its culture of excellence, extraordinary care, and possibilities and nurtures in its students a passion for, and commitment to, deep intellectual and personal exploration. SAS students grow up in a community where every student learns at high levels, every student is known and advocated for, and every student personalizes their learning.

The Associate Director of Development will play a pivotal role in driving the success of the School's Campaign by orchestrating planned and strategic interactions with parents and the alumni community.

With experience cultivating relationships and securing philanthropic gifts, you will be responsible for delivering and executing a fundraising strategy that is fully aligned and integrated with the SAS Advancement overall fundraising strategy. Fluency in Mandarin is essential.
